Dear Ms. Williams,

This is in response to your phone call made yesterday. You mentioned that the PCT number in the PTO/SB/01 Declaration for Utility or Design Patent Application was incorrect. It was mistyped as PCT/US03/34021.

The correct PCT application number should be PCT/US2003/034021.

By the way, I have not yet received the formal PTO receipt for this application (10/520269). It would be greatly appreciated if you could send me a copy of the receipt by fax (510-785-8698).

Best regards,
